GOVERNMENT OF INDIA  
MINISTRY OF RAILWAYS

### Foreword

23<sup>rd</sup> July 2018

Over the past few months, thrust of the Ministry of Railways has been on empowering the frontline officials with adequate administrative and financial powers, providing greater autonomy, introducing reforms and simplifying the work processes so as to improve deliverance and service to our clients. Model SOP with enhanced delegations brought out in October 2017 was a step in this direction and symbolic of the change that all of us wish to usher.

I am happy that now a revised version of Model SOP 2018 incorporating the enhancements in delegations made recently and lessons learnt, has been brought out by Transformation Cell in a short time span.

I would like to emphasize that, since Railways is a mammoth organization with different zones and divisions having their own unique requirements, so one centralized SOP document cannot address all the requirements of all the units. One size cannot fit all. However, a Model document like this will serve as a benchmark to be followed uniformly across units, suitably supplemented by additional delegations which may be introduced by the GMs in consultation with their PFAs as per specific local requirements in accordance with Government of India rules.

Needless to add that authority in its wake brings accountability, and a dim view would therefore be taken of any misuse thereof.

I hope these delegations would further enable the field officials to improve deliverance and service to our customers.

  
(Ashwani Lohani)

Chairman, Railway Board

## **Preamble to Model SOP 2018**

Model Schedule of Power (SOP) was issued first time from the Railway Board on [October 26, 2017](#). Subsequently, a need was felt to bring out its revised version, incorporating the correction slips, Railways' best practices and enhanced delegation of power introduced by Railway Board. A revised Model SOP "Model SOP 2018" is therefore being issued.

This Model SOP document is intended to bring in uniformity in delegation of financial and administrative powers across the Zonal Railways, Production Units/NAIR/RDSO (to the extent applicable) and empower PHODs/CHODs & DRMs/CWMs (CWMs include all SAG officers in charge of workshops/depots), including the field officers. GMs could however add further to this delegation in consultation with their PFAs keeping in view the local requirements while being within the overarching powers delegated to them and in accordance with Government of India rules. Chairman RRBs will exercise powers as available to SAG officers (Head Quarter) for items pertaining to them.

This Model SOP 2018 covers Works, Medical, Stores, Commercial, Establishment, RPF and Miscellaneous matters including CTIs, IT, PR. Part G of this document contains the SOP for RPF which includes the latest delegations for RPF in March 2018, over and above those existing in Section C (Miscellaneous) of this SOP. CHODs will exercise same powers as available to PHODs. It may be seen that powers delegated to DRMs are generally same for CWMs (in SAG). Principal Chief Security Commissioners (PCSC) of RPF will exercise the powers available to PHODs for matters concerning them. Similarly, the ADRMs (NFSAG) will exercise same powers as ADRMs (SAG). Also, the branch officers in Senior Scale (Independent Charge) will exercise same powers as available to divisional officers in JAG/SG. A branch officer is an officer in the division who directly reports to DRM and is to be treated as independent incharge for all purposes. Also, wherever CWMs are in SS/JAG/SG, the CWE or concerned SAG officer in Head Quarter will exercise same powers as applicable to CWMs (in SAG) for matters pertaining to workshop/depots. The Station Directors and the Administrators of the Central Hospitals, both in JAG/SG, will exercise same powers as available to Branch Officers. Proposals submitted for GM's sanction will be cleared by AGM, unless GM's personal sanction/approval is required as per extant rules. Wherever finance concurrence is not required, it has been specifically mentioned. Wherever nothing is mentioned it should be presumed that finance concurrence is required. [\*\*Chief Medical Officer \(CMO\) of Metro Railway/PUs/RDSO will have the same powers as available with Principal Chief Medical Director \(PCMD\) of Zonal Railways. \(RB's letter No. 2018/Trans/01/Policy dated 17.10.2018.\)\*\*](#)

The exercise of the powers delegated is subject to the observance of provisions of the existing code, rules and other extant orders. The sanctioning authorities shall pay due regard to the canons of financial propriety which are enumerated in Para 116 of Indian Railway Finance Code Vol – I. The exercise of powers by various authorities is subject to availability of funds against the appropriate head of account under the relevant demand.

Orders/delegations issued by Railway Board, from time to time, shall be applicable, with prospective effect. Railways may issue Correction Slips as and when such orders/ delegations are issued.

3.	In case an increase in quantity of an individual item by more than 25% of the agreement quantity is considered unavoidable, the same shall be got executed by floating a fresh tender. If floating a fresh tender for operating that item is considered not practicable, quantity of that item may be operated in excess of 125% of the agreement quantity (100% i.e., the original quantity + 25% i.e., quantity over and above the original quantity) subject to the following conditions:				
	<p>a. Since there is an in-built rate reduction Clause of 2% &amp; 4% for variation between 125% &amp; 140% &amp; between 140% and 150% respectively on the accepted rates it will only require the prior approval of the Tender Accepting Authority (TAA) who is an officer not below the rank of JAG without finance concurrence subject to other conditions mentioned in Clause 42(4) of GCC 2014.</p> <p>b. However, a Supplementary Agreement/Addendum to original Agreement should be drawn subsequent to sanction of the variation by an officer not below the rank of JAG, which needs to be vetted by Associate Finance.</p> <p>c. Quantities operated in excess of 125% but up to 140% of the agreement quantity of the concerned item, shall be paid at 98% of the rate awarded for that item in that particular tender.</p> <p>d. Quantities operated in excess of 140% but up to 150% of the agreement quantity of the concerned item shall be paid at 96% of the rate awarded for that item in that particular tender.</p>				
4.	Variation in quantities of individual items beyond 150% will be prohibited and would be permitted only in exceptional unavoidable circumstances with the concurrence of Associate Finance and shall be paid at 96% of the rate awarded for that item in that particular tender.				
5.	The variation in quantities as per the above formula will apply only to the individual items of the contract and not on the overall contract value.				
6.	Execution of quantities beyond 150% of the overall agreement value should not be permitted and, if found necessary, should be only through fresh tenders or by negotiating with the existing contractor, with personal concurrence of PFA and personal sanction of General Manager.				
7.	The limit for varying quantities for minor value items shall be 100% (as against 25% prescribed for other items). A minor value item for this purpose is defined as an item whose original agreement value is less than 1% of the total original agreement value.				
8.	No such quantity variation limit shall apply for foundation items.				
9.	As far as SSR/SOR items are concerned, the limit of 25% would apply to the value of SSR/SOR schedule as a whole and not on individual SSR/SOR items. However, in case of NS items, the limit of 25% would apply on the individual items irrespective of the manner of quoting the rate (single percentage rate or individual item rate).				
10.	For tenders accepted by Board Members and Railway Ministers, variations up to 110% of the original agreement value may be accepted by General Manager.				
11.	The aspect of Vitiating if any, shall be governed as per Railway Board's Transformation Cell Letter no 2017/Trans 01/policy dated 08.02.2018.

## 12. Procurement through GeM by user departments

(Ref: Stores Code Para 711-A)

Officers authorised by PHODs of user departments may be permitted to buy goods (Non stock items) available on GeM by placing direct on-line orders upto Rs 25000 in each case. This may be subject to annual ceiling of Rs 10 lakh per department per annum. The officers will have to certify as follows:

"I,...., am personally satisfied that these goods purchased are of the requisite quality and specification and have been purchased from a reliable supplier at a reasonable price."

Note - A demand for goods shall not be divided into small quantities to make piecemeal purchases to avoid procurement through L-1 Buying / bidding / reverse auction on GeM or the necessity of obtaining the sanction of higher authorities required with reference to the estimated value of the total demand.

## 13. Procurement through Spot Purchase

(Ref: Bd.'s letter no. 2002/RS(G)/779/12 dated 14-12-2011)

Model guidelines/ powers are recommended as below:

13.1 There are occasions to purchase materials on the spot without following the formal tendering system but by calling offers through physical visit of the premises of the firm by the nominated officers. This mode of purchase is commonly known as '**Spot Purchase**'.

13.2 Keeping the instructions contained in Rly. Bd's L.No.2002/RS(G)/779/12 dtd. 14/12/2011 in view, the following instructions / guidelines are issued in supersession of all earlier orders issued on this subject.

### 13.3 Conditions for resorting to Spot Purchase:

13.3.1 The concept of Spot Purchase, for the purpose of purchase, will be followed in very exceptional circumstances and should be supported by proper justification. Invariably the need to resort to spot purchase shall fulfill conditions as laid down under para (a) or (b) below:

#### (a) Stock Item:

The stock item should be purchased only when the material is out of stock which is affecting train operations/earning of railways and supply against the existing covered dues if any, is likely to take more time and requirement is very urgent which cannot wait for the supplies to be received against the pending orders.

**"The certificate to this effect to be recorded by at least the concerned SAG officer of the concerned user department."**

#### (b) Non-stock item:

(i) For purchase of non-stock items where demand could not be foreseen in advance and material is required urgently for safe operation and where cash purchase powers are considered inadequate and emergency purchase through formal invitation of tenders etc., is likely to take considerable time.

- (ii) For purchasing of non-stock items which are required occasionally and making the detailed specification for the same is not considered practicable/economical or items of consumable nature where the quality available in the market is rapidly changing hence, it is not possible to finalize the specification and materials can be obtained by personal examination of feel, finish and appearance etc., like furniture, cutleries, linens, carpets and other furnishing items etc.

13.3.2 However, Spot purchase shall not be resorted to, for purchasing such items which have got detailed specifications and drawings and are required to be purchased only from approved sources.

**13.4 Procedure for Spot Purchase**

13.4.1 Since Spot Purchase is one of the modes of purchase, therefore, there should be a proper requisition for non-stock items and Emergency Recoupment Memo (ERM)/Red Slip for stock items. The quantity is to be restricted to bare minimum. For stock items, demand may not exceed three months requirement and the same to be adjusted against the immediate ensuing demand.

13.4.2 The proposal for Spot Purchase of 'Non-stock' items shall be submitted for the specific approvals of the authorities detailed in para 13.4.3 below, by the concerned consuming department after obtaining the concurrence of Associate finance.

The proposal for Spot Purchase of 'Stock' items shall be submitted for the specific approvals of the authorities detailed in para 13.4.3 below, by the concerned Purchase officer of Stores department after obtaining the concurrence of Associate finance.

**13.4.3 Authorities competent to approve Spot Purchase:**

**(a) For Field units i.e, Divisions & Workshops:**

- (i) Items valuing upto Rs 15 lakh (for both Stock & Non-stock) will require the approval of the DRM/CWM.
- (ii) Items valuing above Rs 15 lakh and upto Rs 25 lakh (for both Stock & Non-stock) will require the approval of the PCMM. The proposal shall be submitted through concerned PHOD.
- (iii) Items valuing above Rs 25 lakh (for both Stock & Non-stock) will require the approval of the AGM (for Open line) and of the CAO(C) for Construction Organization.

**(b) For HQRS & Construction Organization:**

- (i) Items valuing upto Rs 25 lakh:

**For Non-stock items** : will require the approval of the PHOD of the consuming department.

**For Stock items** : will require the approval of the PCMM.

- (ii) Items valuing above Rs 25 lakh (for both Stock & Non-stock) will require the approval of the AGM (for Open line) and of the CAO(C) for Construction Organization.

13.4.4 After the proposal has been approved by competent authority as mentioned above, proper file will be opened in convener's office against the requisition for Non-stock items and Emergency Recoupment Memo (ERM)/Red Slip for Stock items.

13.4.5 The Spot Purchase would invariably be made by a Spot Purchase Committee (as detailed in para 13.5.1 below) consisting of 03 officers, one from Stores Department (to be nominated by DRM/CWM/PCMM), one from Accounts deptt. (to be nominated by DRM/CWM/FA&CAO) and one from indenting department (to be nominated by concerned co-ordinating HOD/DRM/CWM). The Stores officer will act as the Convenor to the committee for Stock & Non-stock items.

**13.5 Level of Committee:**

**13.5.1** The level of **Spot Purchase Committee (SPC)** will be as under:

S N	Value of Purchase	Stores Deptt.	Indenting/Cons u- ming Deptt.	Account Deptt.
1	Upto Rs 5 lakh	Sr. Scale officer *	Sr.Scale officer *	Sr.Scale officer *
2	Above Rs 5 lakh & upto Rs 40 lakh	JAG /SG officer	JAG/SG officer	JAG/ SG officer
3	Above Rs 40 lakh	SAG officer	SAG officer	SAG officer

\* If Sr. Scale officer is not available, then JAG/SG officer will associate the SPC.

**Note:**

(i) If there is more than one item to be purchased at one time, the total value of all the items will be the guiding criteria for deciding the level of the committee and the competent authority to sanction.

(ii) The above composition of SPC will also be applicable for ZTCs and CTIs located within the jurisdiction of the Zone (e.g. for Central Railway, the procedure will be applicable to ZTS/BSL, IRICEN/PUNE & IREEN/NKRD).

In case of CTIs, the nomination will be done by respective directors & in case of other units, by concerned PHOD/CHOD officer of HQ.

**13.5.2** The Spot Purchase Committee will first make a market survey and then duly considering the sources indicated by the indenters, shall obtain quotations from suitable sources and while obtaining the quotations for items to their specification, normal rules laid down for obtaining the quotations (as in the case of cash purchase) will be followed. In conducting their business, the Committee shall give due regard to the Canons of Financial Propriety, while doing Spot Purchase.

**13.5.3** Inspection of materials, if required/called for, shall be done by Member of Indenting department or his authorized representative.

**13.5.4** The committee will draw proceedings duly covering all the aspects listed below:

- Authority for constitution of the Spot Purchase Committee.
- Description of the item
- Tabulation statement
- Brief discussion of the offers obtained.
- Recommendations/Acceptance with certification on reasonability of recommended rates.
- Unusual terms & conditions and deviations, if any, accepted.
- Consignee.
- Delivery terms & delivery period.
- Paying authority and bill Passing Officer.

**13.5.5** The proceedings of the purchase finalized shall not require any further approval but this will be made available for internal check/audit and the minutes of the committee shall be kept on the file.

**13.5.6** All decision in the matter of purchase will be taken by the committee and the decision taken by the committee in regard to purchase will be final. However in case of dissent by any one of the members, the case should be put up to the officer nominating the SPC in case of Division/Workshop and to the concerned CMM (dealing the item) in Stores HQ for SPC of JAG/SG level and to PCMM for SPC comprising of SAG level, for final decision.

**13.5.7** Formal communication (in the form of PO or letter) detailing the description/specification of the item, terms & conditions, inspection clause, delivery period, payment terms & paying authority etc shall be issued, duly signed by the convener of SPC for placing order on the firm.

**13.5.8** Field Units i.e., Division/Workshops as well as HQRS & Construction organization shall maintain proper record of such Spot Purchase nominated by them.

**13.6 Payments:**

**13.6.1** Cash payment should be avoided, unless payment is made through cash imprest.

**13.6.2 Stock Items:** Payment to the suppliers may either be made in cash on the spot from cash imprest or through cheque to be issued by Accounts officer. In case of stock items, the cheque/cash payment may be made against a Pay order prepared by the Stores member of the Spot Purchase committee against a proforma invoice. Alternatively, normal payment terms through FA&CAO(S) may be followed depending upon the agreed terms & conditions.

**13.6.3 Non-stock items:** Payment to the suppliers may either be made in cash on the spot or through cheque to be issued by Accounts officer. In case of cheque/cash payment, the Pay order against a proforma invoice will be prepared by the Indenting department's representative in the Spot Purchase committee. Alternatively, payment through FA&CAO may also be followed depending upon the agreed terms & conditions.

**13.6.4** The material purchased will be accounted for as is being done for material received against regular purchase orders. In case of stock items, formal R/Note should be granted. The R/Note should invariably bear respective Pay Order no. & date if paid through Pay order. The POs for Stock items will be fed in iMMS so that R/Note can be generated by iMMS system.

**13.6.5** A report of Spot purchase may be put up to the PHOD/CHOD of concerned department by the convenor of the committee for information, after completion of Spot Purchase i.e., after the receipt of supplies.

**13.6.6** The Spot purchase Committee shall ensure that the purchase is completed within **45** days of appointment of the committee, failing which fresh approval of AGM/PCMM/ CAO(C)/DRM/CWM (as the case may be) should be obtained for purchase of the items through Spot Purchase.
